For Immediate Release: June 7, 2017  
Parks Division continues annual tradition of giving away canna lily bulbs

The time is here again for the Parks Division to give away excess canna lily bulbs. The City of Norfolk park staff has planted all they need around the city and are giving away the rest.

Pat von Glan, City Recreation Director, said those who want some bulbs to plant can go to Ta-Ha-Zouka Park at the north entrance by the arrows sign. The bulbs will be on the north side of the drive, about a half block inside the entrance. It is first come, first served until they are gone or until June 15.
