For Release: April 17, 2018

## CITY PARK RESTROOMS TO BE OPENED ON FRIDAY, APRIL 20, 2018

Restrooms located at City parks will be open and functioning on Friday, April 20, 2018.

Low temperatures and continued wintery weather conditions have prevented the opening of the park restrooms due to the possibility of pipes freezing. We thank the citizens and patrons of these parks for their patience and cooperation during the closure of the park restrooms.
