“AquaVenture Water Park Opening Soon for 2013 Season”

With schools closing for the summer and temperatures warming up, members of the AquaVenture Water Park staff are busy readying the facility for the 2013 swimming season that begins May 25. The park, located on First Street just south of Pasewalk Avenue. will remain open from 12:00 p.m. to 8:00 p.m. daily until mid-August.

Lifeguards, aids, and concessions workers were hired in March with training, cleaning and planning for the new season in full force all spring.

This year season passes will again be offered for sale although at a new price. Last year's season was shorter with the June opening so this year prices for season passes will be a bit higher. Family and individual passes will be sold beginning May 21 from 5:30 p.m. to 7:00 p.m. at the AquaVenture Park. The passes will also be sold on May 22 and 23 from 3:00 p.m. to 7:00 p.m. Anyone who still has their 2012 season pass can bring it when they purchase the new pass and have it updated for the 2013 season. The pass must be shown every time when using the water park. Forms to obtain a pass can be filled out prior to that day by printing them out

from the website- <http://www.ci.norfolk.ne.us/parks/poolpass2013.pdf> or by picking up a form at the City offices at 309 North 5th Street. New this year is Half Price Night every Wednesday night when entry fees are half price after 5:00 p.m.

Three sessions of swimming lessons will be held this year beginning in June. Signup for the classes is May 21 from 5:30 pm to 7:00 pm at AquaVenture Park. Group and individual lessons are available.

“We are still hiring lifeguards so if anyone has current lifeguard certification and is interested in working at the water park this summer they can call us. If some one is interested but is not certified, we will be offering lifeguard certification classes in June,” said Sheila Schukei, City of Norfolk Human Resources Director. For more information call 844-2010.

There is also an AquaVenture E-Newletter that is sent out periodically to those who are interested in receiving news about the park by email. Go to <http://www.norfolkaquaventure.com> to subscribe to the newsletter.
