## “Norfolk Snow Emergency in Effect”

**SNOW**  
Emergency  
**IN EFFECT**

The City of Norfolk has declared a Snow Emergency effective 5:00 pm today, February 1, 2016, until further notice. Parking is allowed on only the EVEN side of residential streets. No parking is allowed on emergency snow routes which include: Benjamin Avenue; Norfolk Avenue (except the Downtown area); Omaha Avenue; 1st Street; 7th Street; 13th Street; 25th Street; Pasewalk Avenue; Elm Avenue from 1st to 4th Street; Koenigstein Avenue from 13th to 16th Street; and Prospect Avenue from 4th to 25th Street.

“When we have a significant snow event we ask that citizens be safe and not travel on the streets. All vehicles should be parked on the side of the street with the even numbered house numbers. Compliance with the snow emergency requirements allows plow crews to effectively clear snow from the streets to enable safe travel,” said City Administrator Shane Weidner.

He reminded citizens they can call the City **Snow Number at 844-2299** to know when a snow emergency is in effect or not. They can also sign up for Norfolk Emergency Text Alerts at [www.ci.norfolk.ne.us/EmergencyAlerts.htm](http://www.ci.norfolk.ne.us/EmergencyAlerts.htm) to receive all emergency alerts from the City of Norfolk.

In a snow emergency, tickets can be issued to those who have their vehicles parked on the odd side of the street or along the emergency snow routes.
