

## Quick Facts about the Downtown Revitalization Grant...

1. The Community Development Block Grant (CDBG) - Downtown Revitalization (DTR) funds are provided to the Nebraska Department of Economic Development by HUD. The City is applying for the funds later this month through a highly competitive process.
2. As with all CDBG grants there are requirements and restrictions. DTR funds can only be used to revitalize the downtown area which runs from 1<sup>st</sup> Street on the east, 8th on the west, Madison Avenue on the south and Braasch Avenue on the North. There are limited amount of eligible activities that the funds can be used for.
3. Community input is very important when deciding the best way to use grant funds. Since June, there have been over 15 meetings held to acquire such input. Thank you to all of the business owners, stakeholders, property owners, and members of the public that took time to offer valuable input and ideas for this project.
