“Snow Emergency in effect”

In anticipation of six to 12 inches of snow, 20-24 mile per hour winds and gusts as high as 33 miles per hour predicted by the National Weather Service, Shane Weidner, City of Norfolk Administrator, has declared a Snow Emergency in effect Thursday, February 23, 2017 at 10:00 pm until further notice. Parking is allowed on only the even side of residential streets and not at all on cul-de-sacs or emergency routes. This allows for more efficient snow removal by city crews.

Weidner asks that citizens use extreme caution when driving and remain a safe distance from snow plows and salt trucks.

In a snow emergency, citations can be issued to those who have their vehicles parked on the odd side of the street, on cul-de-sacs or along the emergency snow routes which include: Benjamin Avenue; Norfolk Avenue (except the downtown area); Omaha Avenue; 1st Street; 7th Street; 13th Street; 25th Street; Pasewalk Avenue; Elm Avenue from 1st to 4th Street; Koenigstein Avenue from 13th to 16th Street; and Prospect Avenue from 4th to 25th Street.

Residents can call the City Snow Number at 402-844-2299 to know when a snow emergency is in effect or not or can sign up for Norfolk Emergency Text Alerts at [www.ci.norfolk.ne.us/EmergencyAlerts.htm](http://www.ci.norfolk.ne.us/EmergencyAlerts.htm) to receive all emergency text alerts from the City of Norfolk.
