Find your fins with AquaVenture private swimming lessons

AquaVenture staff is trained and ready for the upcoming swimming season. To ensure that your water enthusiast is prepared too, AquaVenture is offering private swimming lessons.

“Private swimming lessons are convenient because they allow the instructor and student to choose a time and day that is most convenient for their schedule,” said PJ Evans, AquaVenture Facilities Manager.

Private swimming lessons are \$13.00 per half hour session. There are also limited spots available for group swimming lessons. AquaVenture will be open for business Memorial Day weekend, weather permitting.

For those wishing to schedule private lessons, or sign up for group lessons, you can call AquaVenture at 402-844-2270.
