For Immediate Release

On Sunday, July 23rd, tires were stolen off of a decommissioned Norfolk Police Cruiser in Sioux City. The Norfolk Police Division utilizes a business in Sioux City to change-over the equipment from old police cruisers to the new ones. After the car is stripped of the equipment, the business parks the old car on their property until the new cruiser is ready. When the new cruiser is completely outfitted, both cars are then brought back to Norfolk. The new cruiser is placed in service and the old car is sold at auction. In this case, the tires were stolen off the decommissioned Norfolk Police cruiser as it sat on the business property. A theft report was filed with the Sioux City Police Department and they are investigating the crime. The business will be replacing the stolen tires and rims.
