FOR IMMEDIATE RELEASE: November 3, 2017  
East Norfolk Avenue to reopen this afternoon

Temporary traffic markings are being painted on East Norfolk Avenue in the area impacted by the bridge project, which can mean only one thing – East Norfolk Avenue is reopening!

East Norfolk Avenue will once again be accessible by the close of the business day today. The inside lanes, turn lanes, and approaches to businesses will be open to traffic. The outside lanes will remain blocked off as construction work continues on the sidewalk, lighting, and along the curb and gutter. Remaining work on the bridge will take place with the bridge open to traffic. Please exercise caution while driving in this area.

A ribbon cutting will be held at a later date.
