FOR IMMEDIATE RELEASE
December 28, 2017

29TH ANNUAL CHRISTMAS TREE RECYCLING

The 29th Annual Christmas Tree Recycling Program is currently underway. Area residents and businesses are invited to bring their trees to the Norfolk Fire Division Training Center (302 E. Benjamin Avenue) until January 13, 2018, to be recycled.

Recycled Christmas trees will be chipped into mulch for use in our city parks and roadways. Weather permitting, the recycled trees are scheduled to be chipped the week following January 13.

Trees should be free of all ornaments, tree stands, and nails. Flocked and artificial trees are not accepted at this site.

The Norfolk Christmas Tree Recycling Program is sponsored by Keep Norfolk Beautiful, Nebraska Public Power District, and the City of Norfolk Fire Division.

For additional information you can contact Keep Norfolk Beautiful at 402-379-3260.
