CONSTRUCTION ON VICTORY ROAD POSTPONED DUE TO WEATHER

Due to the upcoming weather forecast, Victory Road will not be closing on Monday as anticipated. This closure is tentatively rescheduled for Tuesday, October 9, but is dependent on the weather. Contractors hope to begin work in this area as soon as the weather conditions are favorable.

Please be cautious and prepared for a detour while driving in this area next week. An update will be provided as it becomes available.

Non-local traffic is recommended to use US Highway 35 and Benjamin Avenue to go around this closure during construction.

This section of Victory Road will be closed for approximately 10 days.

If you have questions regarding this closure, please contact the City of Norfolk Engineering office at 402-844-2020.
