Building Services Division to Temporarily Close for Move to City Administration Building

The Planning & Development Department was established 6 months ago to include Planning & Zoning and Building Services to provide cohesiveness by having these services under one roof.

The Building Services Division (Prevention Bureau), formerly housed at the Norfolk Fire Station, will be closed Friday, March 8th and will reopen at the new location, located at 309 N. 5th Street, on Monday, March 11th, at 8:00 a.m. The entrance for the Planning and Development Department is located just west of the main doors on the south side of the building.

The Planning and Development Department thanks customers for their patience and cooperation during the move.
