### >>> PROGRAM AGENDA: >>>>

#### Basics:

- 1 Discussion on fair housing basics including an explanation of the protected classes, analyzing discrimination lawsuits, and developments with respect to sexual orientation and gender identity in housing.

#### Disability Discrimination & Accommodations:

- 2 Sara will review the step-by-step process for analyzing accommodation requests, including multiple examples from court cases.

#### Harassment:

- 3 Discussion on harassment issues in housing that will also explain the liability a housing provider might face.

#### Limited English Proficiency:

- 4 This session will include a discussion of HUD's guidance on Limited English Proficiency issues, as well as a review of lawsuits related to this topic.

### SPONSORS:
